

Rubber City Rollergirls

Individual Skater Sponsorship

Let's Roll!

The Rubber City Rollergirls are Akron's only non-profit women's flat track roller derby league, and **we are lacing up for another successful season in 2010!**

With nearly 400 leagues and over 12,000 players nationwide, **roller derby has become one of the fastest growing amateur sports in the U.S.** But unlike the roller derby of yesteryear - with banked tracks and choreographed action - this hard-hitting, fast-paced sport has strict rules and a national sanctioning body. The Rubber City Rollergirls were founded by people from Akron - *for Akron* – and we bring this action-packed sport to the Rubber City!

We Want to Partner With YOU!

Increase awareness of your business through involvement with this exciting sport! Enclosed you will find information on sponsoring an individual skater, geared toward providing your business extra exposure while helping the skater offset the costs of safety equipment, skates and uniforms.

We also offer several 'league' sponsorship packages, with even more benefits. If you would like more information, please contact our Sponsorship Director at Sponsorships@RubberCityRollergirls.com.

**Don't miss the opportunity to increase awareness of your business by getting involved with one of the fastest growing amateur sports in the nation
*...right here in the Rubber City!***
